

GIFX PARTNERS LIMITED

www.gifxpartnersltd.com

We took a look at the typical investor journey and knew something had to change. We are creating a paradigm shift by providing investors access to investments previously available to the top 1%.

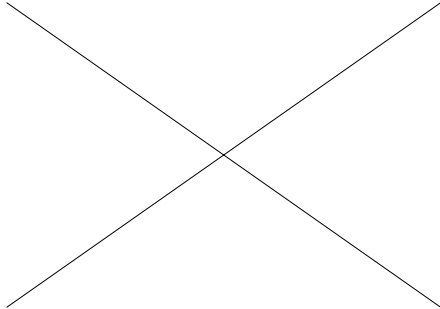

ABOUT GIFX PARTNER LIMITED

Gifx Partner Limited is one of the largest and most experienced international private equity firms. We have an established team of investment professionals, who are focused mainly on investment.

We are in control of our investors experience as we operate using our own proprietary sophisticated trading technologies that allows us to react quickly to market trends and investors demands to regulate changes with no reliance on external technology. We can set our own priorities and control the cost involved, hence we have been reckoned to providing bespoke technology and comprehensive functionality for the efficient management of investors portfolio as we are founded with the vision to create transparent trading and investment experience for our client. We are interested in successful and transparent traders that will create high trading and investment volume for we are proud to help many customers to make revenue as we provide real-time market data from leading analytical agencies. As long as we have existed we have been trying to leverage lower risk and higher profits for our customers through innovative and insightful analysis, information dispersion, and expert assistance. Our team of professionals is composed of experienced and skilled experts and professionals, who bring a diverse and in depth knowledge to the entire investing process.

SERVICES WE OFFER

Agriculture

Funding the production, distribution, and processing of food and crops is a part of investing in agriculture. In an effort to feed a burgeoning population on dwindling land, the world's requirement for agricultural output is rising.

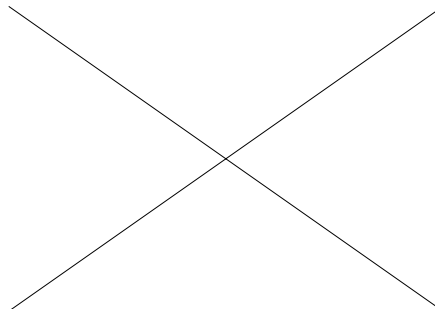

Gold

Gold is recognized as a reliable safe-haven investment in addition to being a great means of storing wealth. With a lengthy history and numerous applications in almost every worldwide culture, gold is still a very popular investment.

Real Estate

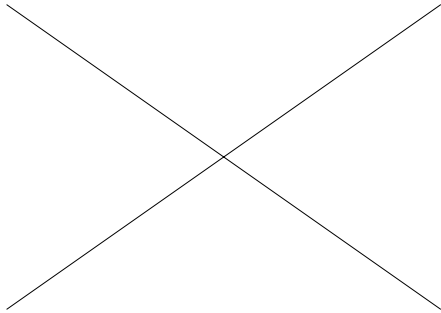

Gifx Partner Limited and its affiliates have owned, developed and managed multifamily, offices, industrial, retail and hotel properties throughout the southeastern and southwestern United States.

Medical Cannabis

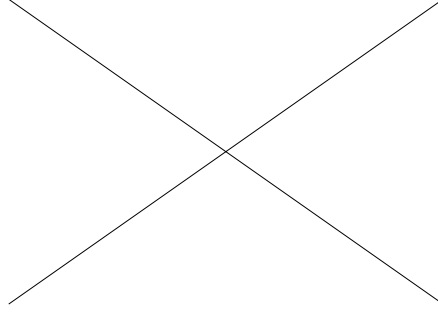

We have been diligently using the widest range of tools and technology for many years. We have also finished a number of investments in the medicinal cannabis business, spanning several verticals and industries.

SERVICES WE OFFER

Oil & Gas

Combined with the most rigorous regulatory standards, we believe that through our core values of Stewardship, Teamwork, Excellence, People, Growth and Resiliency, we represent the gold standard of oil and gas production in our nation and in the world.

Crypto & Forex

Forex is a portmanteau of foreign currency and exchange. Foreign exchange is the process of changing one currency into another currency for a variety of reasons, usually for commerce, trading, or tourism. According to a recent triennial reportcy for another in the hope the currency will rise in value.
